The republican members of the legislature, are playing politics, by refusing to support the county unit and union reform bill, until something is done for them about redistributing the state.

Housework Drudgery!

Housework is drudgery for the weak woman. She brushes, dusts and scrubs, or is on her feet all day attending to the many details of the household, her back aching, her temples throbbing, nerves quivering under the stress of pain, possibly dizzy. Sometimes rest in bed is not refreshing, because the poor tired nerves do not permit of refreshing sleep. The real need of weak, nervous women is satisfied by Dr. Pierce's Favorite Prescription, and as Mrs. Briggs and others testify:

It Makes Weak Women Strong and Sick Women Well.

This "Prescription" removes the cause of women's weakness, heals inflammation and ulceration, it invigorates the nerves, encourages the appetite and induces restful sleep.

Dr. Pierce is perfectly willing to let everyone know what his "Favorite Prescription" contains, a complete list of ingredients on the bottle wrapper. Do not let any druggist persuade you that his unknown composition is "just as good" in order that he may make a bigger profit.

Mrs. Maxine Brown, of 229 N. Washington St., Delphos, Ohio, writes: "Having taken your 'Favorite Prescription' for a bad case of intestinal disease and constipation with woman's ill, for which I was almost unable to do anything, I think I am safe in saying that there are no remedies in the world like Dr. Pierce's Favorite Prescription and 'Purifying Lotion Tablets.' I am now enjoying the best of health, and thank Dr. Pierce for his wonderful medicines which have done me a world of good."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.

Mrs. Joel Cooper and son Charles have been visiting Mr. and Mrs. W. M. Fields for a few days.

Mr. and Mrs. W. F. Dishon delightfully entertained the following with a dinner Sunday, Mr. and Mrs. Thos. Dunderar, Mr. and Mrs. Holman, Mrs. Logan Woods of Danville, Mr. and Mrs. John Lynn and children, Mr. and Mrs. W. M. Fields and Mr. and Mrs. John Lair.

Miss Mary K. Dunderar has been confined to her home several days with a bad case of tonsillitis.

Misses Marguerite and Susie Sampson have been the pleasant guests of Misses Fields, Watkins and Sampson.

Mr. W. M. Fields left today on a business trip to Level Green.

Miss Edith Watkins, delightfully entertained with a social Saturday night in honor of Misses Marguerite and Sue Sampson and Miss Gladys Chamberlain.

Mrs. George Martin has returned home from Georgetown where she has been spending some time with her invalid mother, Mrs. Coppage.

R. C. Watkins, who has been spending some time in Oklahoma with his sister has returned home.

Miss Edith Watkins is the guest of Miss Gladys Chamberlain, of Allin.

Mrs. Jones, of Livingston is the guest of her daughter, Mrs. W. F. Dishon.

Bowels are Basis of Child Health

The careful mother, who watches closely the physical peculiarities of her children, will soon discover that the most important thing in connection with a child's constant good health is to keep the bowels regularly open. Stagnant bowels will be followed by loss of appetite, restlessness during sleep, irritability and a dozen and one similar evidences of physical disorder.

At the first sign of such disorder give the child a teaspoonful of Dr. Caldwell's Syrup Pepsin at night on retiring and repeat the dose the following night if necessary—more than that will scarcely be needed. You will find that the child will recover its accustomed good spirits at once and will eat and sleep normally. This remedy is a vast improvement over salts, cathartics, laxative waters and similar things, which are altogether

too powerful for a child. The homes of Mrs. Carrie McDonald, 1034 Trigg Ave., Memphis, Tenn., and Mrs. Sallie E. Griffith, Veechdale, Ky., are always supplied with Dr. Caldwell's Syrup Pepsin, and with them, as with thousands of others, there is no substitute for this grand laxative. It is really more than a laxative, for it contains superior tonic properties which help to tone and strengthen the stomach, liver and bowels so that after a brief use of it all laxatives can be dispensed with and nature will do its own work. Anyone wishing to make a trial of this remedy before having it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. H. Caldwell, 105 Washington St., Monticello, Ill. Your name and address on a postal card will do.

The Interior Journal has some very heavy obligations to meet within the next two weeks. It will not have the slightest trouble in doing so if every subscriber, for on its list whose subscription has expired will send in a dollar at once. There are enough subscriptions owing to keep us "out of the hole," and there is nothing little we would appreciate more right at this time than to have you send in that dollar at once. If you are one of them won't you favor us this time, by doing so right now?

Mr. M. S. Bangham has at his home some honey that is over seventy years old. It was taken a number of years before his brother Mr. S. H. Bangham, was born. The honey has been kept for the most of the time in a Mason fruit jar and still retains its taste to a considerable extent, although it leaves a taste slightly bitter. It is almost black. Mr. Bangham values the keepsake very highly, as it was a gift from his mother, who long since went the way of all good.

A Warm Bathroom

PERFECTION

Every mother should be careful
that the children take their baths
in a warm room. The chill of a
cold room is dangerous after com-
ing out of the hot water.

A Perfection Smokeless Oil Heater brings bathroom or bedroom
to just the degree of warmth you want in five or ten minutes. All you
have to do is to touch a match.

The Perfection Heater burns nine hours on one filling and is
always ready for use. You can move it anywhere it is needed.
There is no waste of fuel and heat warming unoccupied rooms.
Just the heat you want, when and where you want it.

The Perfection is fitted with an automatic locking flame spreader
that prevents the wick being turned high enough to smoke and is
easy to remove and drop back when cleaning.

Drums finished either in turquoise, blue enamel or plain steel. Light and orna-
mental, yet strong and durable—suitable for any room in any house.
